

# Coulee's Crossing Area Flood Risk Management Project

## July 10, 2013 - Public Informational Meeting

General Project Response:

Please provide feedback for providing flood protection for the neighborhood.

☐

Yes

No

Do you support the plan for providing improved permanent flood protection for your neighborhood?

☐

Yes

☐

No

Would you support the addition of Park District Facilities in place of the three remaining vacant lots once the flood control project is complete?

Additional Comments:

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
